› INTRODUCING PAYMENT WAIVER

The possibility of future unemployment can be a key concern for some individuals when considering whether to take on additional financial responsibility. Citroën Financial Services can ease those concerns. When you finance your vehicle with us we will waive up to six monthly payments, excluding balloon payments, should you be made involuntarily redundant during the term of your agreement. And should you still be unemployed after you have used your waiver allowance, we will give you the option to hand your vehicle back and walk away from your agreement without further financial liability*.

Payment Waivers are only available to retail customers after the first 90 days of the agreement. You will have to have been in continuous full time employment for the 6 months immediately prior to involuntary redundancy and be up to date with your monthly rentals.

Citroën Elect 4 gives you more control over your finance, because the term remains fixed and so are the monthly rentals which makes it easier to manage your monthly budget. Please note that VAT is payable on the finance rentals.

ARE THERE ANY AGREEMENT CONDITIONS?

Don't be caught out. It is vital to be accurate with your estimated usage, because you'll face additional charges if you have exceeded the agreed mileage at the end of the lease period. Similarly, if you fail to look after the vehicle properly – condition should be reasonable for its age and mileage when you hand it back – you could incur extra charges.
